

# Questions & Answers

The follow are the questions submitted by interest parties in regards to the Phase I construction of the Nassau County Sheriff's Public Safety Training Center. The Sheriff's Office response is in **RED**.

To: Mr. Michael Edwards  
Director of Administration Services  
77151 Citizens Circle  
Yulee, FL. 32097

Reference: Request for Information on  
Nassau County Sheriff's Office  
Public Safety Training Complex  
Land Clearing & Earthwork

Date: September 25, 2020

Mr. Edwards,

We have the following requests for information for the above referenced project:

1. Are we to assume all clearing in phase I as shown in the plans will be included under the price for (E)?

Yes, all clearing is to be priced in (E).

2. If Item "B" (North pistol Range) is the only range to be built are we to assume all (both sides) of the southern berm is to be built and priced in item "B"?

Yes, to complete the North Pistol Range (B) both sides must be completed.

Thank you again for allowing us the opportunity to provide a quote for your proposed project.

## **DODGE DATA & ANALYSIS**

Hi

I'm currently working with the Land Clearing & Earth Work - Public Safety Training Complex that's out for bidding on October 2 at 4 PM (EDT)

I just would like to ask the following:

\* Does the Bid date and time remains the same?

Answer- The date has been changed - Addendum NCSO-20-R-002-1 has been issued  
And can be found on the Nassau Sheriff's Office website at  
<http://nassauso.com/administrative-services/bids/>

\* Can I request for a copy of the planholders list?

Answer- There is no list of planholders

\* Do you have an Estimated Cost/Engineer's Estimate?

Answer- No, a standalone estimate for the sand and earth work has not been completed. VRL Architects provided an estimated total cost for Phase 1 range project at \$1,747,301. This figure included the cost of facility construction in addition to the sand and earth Work.

Thank you so much in advance for help :)

Cheers,

*Michelle*

## **CONSTRUCTION CONNECTION**

Good afternoon,

I am wondering if you have released any addendum for the Land Clearing and Earth Work at the Nassau County Sheriff's Public Safety Training Complex project (# NCSO20-R-002)? Also, is the project still bidding on 10/02/2020 at 4:00 PM? Finally, do you have a planholder's list available for this project?

Thank you for your time.

### Answers:

1. Yes, we have issued Addendums for revision to both NCSO-20-R-002 and NCSO-20-R-001

You can find these Addendums at <http://nassauso.com/administrative-services/bids/>

2. The ending bid date has been changed, please visit the Nassau County Sheriff's website for the new date.

3. No, there is no Planholder list.
